

Short-term Extensions & Highway Trust Fund “Patches” Have Consequences

**Arkansas... Georgia... Tennessee... Wyoming...
Montana... Nevada... Utah... Colorado... Nebraska...
Mississippi... Pennsylvania... West Virginia...
Connecticut... Vermont... Maryland**

These states have already publicly announced they **have either delayed or cancelled highway, bridge or transit capital projects THIS YEAR** or are considering doing so because of uncertainty over future federal funding **caused by the congressional HTF “patch” and extension LAST YEAR**. So far, **\$1.3 Billion** in transportation improvement projects have been impacted.

**Further Uncertainty will Not Reduce Traffic
Congestion or Repair 61,000 Deficient Bridges**

It's Time to Fix the Highway Trust Fund!

**TRANSPORTATION
CONSTRUCTION
COALITION**
